Joyful Jamboree Children's Church

(Ages 3 Yrs-2nd Grade)

Joyful Jamboree will enter its 4th year as our children's church format. We use the Chapel for both the 9 and 11 am services, which gives the children the feeling of an authentic worship service. We will be learning different elements of worship this year such as the Doxology and the Lord's Prayer. We have finished our curriculum for the Old Testament so will be starting with the Gospels this year.

Of course, we'll be learning our popular, "Books of the New Testament" song to go along with this change. We will continue with our monthly themes so that children learn the Bible characters through Stories, Videos and Puppets. However, we will also be adding an emphasis on prayer so that children become more comfortable with private and corporate prayer as well. Children will still remain with parents in the Sanctuary or Gill Fellowship hall for church until they are dismissed to Joyful Jamboree in the Chapel for pick-up. We also will continue to collect offerings to go towards our mission projects that vary throughout the year.

We appreciate any parents interested in volunteering for a once monthly commitment to share in the fun!

Volunteer Testimonial

Teaching and catering to our children is one of the most important ministries we can do at this church. If we can instill Christian values in our children, hopefully they will carry this with them throughout their life. One of the ways you can help, is to volunteer.

Joyful Jamboree is our Sunday "Children's Church" program and a great way to get started as a children's volunteer. It's only a once a month commitment during worship service, and doesn't involve any preparation on your part. It's also a great way to learn about Jesus and the Bible – through the eyes of a child. It's still structured like the regular service, but with the music and message geared toward children. I have found revisiting the stories of the Bible during children's church just as rewarding, informative and fun as my children. Come volunteer with Joyful Jamboree, you won't regret it.

SUNDAY SCHOOL

Our Sunday School classes will resume August 17th with the preschool on the first floor and all other grades K-5 upstairs. The curriculum is called, "Grow, Proclaim, Serve" where children's faith with grow by leaps and bounds. This fall we will be learning about the prophets and kings of the old testament and how we are called to be servants of God. All classes will be at 10 am.
